“ *The first time Johnny and I (Dot) met Josephine, she said to me to call her grandma, because Johnny and Mike are brothers, which grafts me also into the family. I remember her beautiful and jolly smile, and her happy disposition. I can still see her sitting on Mike and Cathy's couch, looking out the window. Even so we did not have the opportunity to see grandma often, we loved her and thought the world of her. Grandma left a hole in our hearts that will not be covered up. WHAT A TROOPER SHE WAS!*
