“ *HAPPY BIRTHDAY  
GRANDPA*

*I miss you thank you for taking me to therapy to learn how to ride my bike when I was 12 years old. And I know you are watching over me all the time and I am still bowling and playing softball in the summer

“ *Hi Grandpa,*

*It has almost been 5 years since you have been gone. I miss you terribly. I wish you could come back. I can't wait til I get to see you again when I get to Heaven, because I know that is where you are and have been. I hope you are enjoying the peace and watching ND football still. I hope you somehow get to see this and even though I'm 20 years old now, I still feel like a child when I talk to you because you always make me remember those times when you picked me up from school and I would sing and you would whistle along. You are the reason I still have faith that some type of Heaven exists.*

*I love you, grandpa.*
