“ Sincerely sorry to hear of Joe's passing. I worked with him at Kroger at Schoenerr and Canal Roads.

He was always early for work and I could gauge the time in the evening by seeing him.

It saddens me to think of how this happened to him. I am really sorry for his recent troubles along with the loss of his father and mother.

May his soul rest in peace. He was buried on my birthday. I babysit my grandchildren that day so I wasn't able to attend.

My prayers are with him and his family.##imported-begin##Fran##imported-end##

“ Jerry,
I am so sorry for your losses of both your Mother and now your Brother.
This will be a very difficult time for you I know. I went through the same thing this past year and it was very hard on me. Thankfully I had strong support. If you ever need to talk do not hesitate to call me. I am here for you.
May the Lord give you Strength and Courage through these trying times.
Sorry I can not attend but we will be praying for you.

God Be with You, Be Strong.
