“ *I never liked referring to Joy as my mother-in-law. For ten years she was like a second mom to me and treated me like a son. She always made sure I knew how much she loved me, how proud of me she was, how happy she was Jaime and I were together, and how much she cherished and adored our children. I have many wonderful memories, but those are the things I will always remember first. I can only hope she knew how much I loved and admired her, and how much of an impact she made on my life. I will always keep trying to make her proud.*

“ Oh, yeah, I forgot my most precious memory shared with Joye, both of us being pregnant at the same time in the heat of the summer sitting on the front porch steps on Whithorn wishing our precious little ones would make their appearance immediately. GOOD TIMES!!

“ Joy"E" , Well what can I say that anyone that has come in contact with her doesn't already know. We all know how caring and feisty she was and so very loyal to her family and friends. She would defend you to the end, but if you were wrong look out she would let you know. But, you always knew where you stood with her. We shared so many great times together, be it weddings, showers, impromptu parties, sitting on the patio and front porch, or going to garage sales. Her kitchen decor was an ever changing landscape. She so loved her "Tommy" , children, grandchildren, family and even her extended family. I remember the inflection of her voice changing "ever so slight-LOL" when her Scottish temper flared. She often said she had many acquaintances , but so few friends, I feel blessed to have been called her friend. My heart, mind, thoughts and prayers go out to her family, she will be truly missed by all who have known her. I will miss her for our own personal experiences together (some we would like to forget, especially the hot tub and Tanqueray Gin night, such a classic). Rest In Peace my friend, I know that you are only a memory away. Love, Terri

“ My mother was one of the most amazing mothers. She was always there for me. She always listened and gave me advice. We talked all the time. I'm truly going to miss her and I really don't know how to get through life without her. She's a loving grannie and always loved spending time with the grand babies. She loved me And made that clear everyday. She was a beautiful person. Hope she's dancing now and having a great time with her mother and her brother and all loved ones.
