“ Dear Dennis,  
All of your Cummings cousins in North Carolina grieve with you in this loss of Joyce. The greatest gift is that you will be reunited with her when we all get to heaven. You come from generations of faithful believers who have always found solace in knowing that God cares for us and protects us in all situations. I will never forget the first time I met you and Joyce in Pembroke. It was a supreme pleasure to see you each time you came home to your Lumbee family. I have been fortunate to meet Renee and Michael and hope they will return to see us in the future. All of us pray for peace and comfort for you in the days ahead. With deepest family love, cousin Louise Cummings (Uncle Foy's daughter)
