“ Joyce was a great friend and boss. She made working at Special Touch Engraving a pleasure. Working with her was like being part of a family. Her laugh was infectious. She loved her mom and adored her boys. They were her lifeline. Her grandchildren were her sweethearts! She was a great boss, but truly, a greater friend. Sadly missed but she is with all of her loved ones now. Boys... always remember you were her greatest treasures in life. So sorry for your loss. My heart goes out to you and your families. Sincerely,  
Debby

“ *Fond Memories of Joyce Snyder Rabideau,,Where do we start?....*

*In 1972, Mike, Brady and I moved into Hickory Heights. The first person to welcome us was Joyce Snyder along with her three boys, Lanny 5, Brad 4 and Craig 3. who lived across the street. We became fast and dear friends.*

*Joyce was a devoted and tireless Mom. Brady and Jeff loved hanging out with the Snyder boys. Joyce and I enjoyed taking them to the beach, the zoo, garage sales and even K-Marts toy department!*

*Mike took Lanny, Brad, Craig, Brady, Jeff and Dusty Donigan, on back packing trips to the Porcupine Mountains and then to Isle Royal. He taught them skills to prepare for the rugged outdoor life,*

*Fast forward to our week in the Grand Canyon White Water Rafting trip with*

*Joyce and Bob, Lindy and Deane, Doug and Judy, and Mike & me. (Some of us were not prepared for the rugged outdoor life). We were challenged riding rough rapids and climbing narrow rocky Canyon trails.*

*At one point, Doug bounced overboard. Bob Rabideau, in one fast jerk, pulled him back in the raft! For the rest of the trip he was known as ",Super Bob"! We laughed about it for years!*

*Joyce was small in stature but mighty in personality. I miss her sweet smile, her giggle and the twinkle in her eyes.  
A beautiful and dear friend.*

*Lance, Brad and Craig,*

*We are so very sorry for the loss of your wonderful, loving Mother. She was very proud of each of you.*

*I know she is at peace and with Jesus.*

*Love,*
