“ Tia has given so much joy to so many. We are blessed to be part of her family. Every thought, every memory we will always have is this amazing woman who lived life to its fullest, always made time for others, and most importantly, she would always make you feel loved and very important no matter who you are.
The Dash in her life was full with God, family, friends, strangers and her love of music and dance.
We will always carry you in our heart with memories of you for the remainder of our lives.
GOD SPEED TIA!

From the first time I met Juanita this lively little woman made me and my family feel part of the family. The love that surrounded her was remarkable.

*I loved being in the kitchen with her as she worked her magic with all the meals she cooked. I have good memories of this wonderful family. God be with you and comfort you in the days ahead. Love always

What an amazing, loving person she was! Our family was blessed to have known her as Abuela. We loved seeing her at family parties. Thanksgiving, Christmas and Lodoto celebrations won't be the same without her! We send our love and prayers to Diana, Anthony, and to Juanita's entire family. Dennis & Liz Bozyk
