“ It is with such sadness that I cannot attend today. I've been sick with a bug for 5 days. Judy was such a good friend to me. I met her 29 years ago when I was working at Arbor drugs, her and her parents lived behind the store in New Baltimore and I would help them every time they came in. Her mom would call me Patty, but I didn't care. It was then Judy told me of an opening at Friend of the Court and I should apply. I always wanted an office job, so I applied and I got it!! That started a life long friendship with her, even after she retired. Everyone knew that Judy loved the Superbowl pools I did and every year I made sure to get with her, I can't tell you how much I'm going to miss that call this year and my visit with her when I stopped over her house, and always again after to take her winnings!! She was a lucky lady!!! . I'm heartbroken to lose such a good friend and didn't have a chance to say goodbye. Rest in peace my dear friend.

Tammy, Thank you very much for sharing this wonderful story about my Aunt Judy. I have shown this to my mom (Rita Bacon) and Aunt JoAnn. She was a wonderful lady and will be deeply missed by her family (and friends).
