“ Judy is my baby sister whom I adored .She was daddy’s little princess.She had good friends and was pretty active but the cutest girl ever.As time went on she kept her beauty.She worked hard and we had a respect for each other and so many laughs.I never wanted to leave her when she was at Symphony of Linden.The time was so precious to me.I loved you so much and always will forever.Until we see each other again.With all my heart and soul,Your sister Janet

“ Mom, you were my heart. There's absolutely nothing I can say to express how I feel about the loss of you, or how much I will miss you. You had me at a young 17 and did everything to make my life beautiful and enriched. I was your baby that leaned over your lap while you drank your tea and rubbed my hair, every single day before St. Florian school and I could get just 5 more minutes if rest and 5 more minutes with you. I love you with all of my heart and every fiber of my being. One day we will sit and have another cup of tea. -Melanie May Sluck/Wilson
