“ I wouldn't know where to begin sharing memories. There are so many.. we met when I was 10 years old so this has been a 64 year friendship. We used to do the typical kid things, then it was the teen years.our poor parents LOL.. and before you knew it we were young adults. Some of us had started a family, others went out into the corporate world. But we never lost touch with each other. I watched her daughter's grow into fine young women and oh my! How she loved those grandkids! And so now I must say goodbye to my goofy friend with the unmanageable hair. She will never be forgotten and I thank the universe for putting us together. Behave yourself up there Judy! It's not too late to find yourself down below LOL
So until we meet again my friend, you will be missed terribly but I am quite sure your reunion with Bob was out of this world!

“ Dear Judi's family.
So sorry this day has come to you at this time.
Would so like to be there now with you. Health problems are keeping me home instead of saying goodbye.
I spent many of time with your mother growing up usually babysitting for her as I was a bit more senior than her in the cousins. 😊
Love and Prayers for all. 💕🙏🌹
Jacquie.

“ *I got to know Judi and Jerry for over ten years living up north. Ive been to their house many times and had food and drinks with them. Judi was a joyful person. We would joke alot she always had her hair bright, like her smile. She likes to laugh and I feel like I laughed alot with her. My wife melody and her exchanged many social media messages. (judi loved sending messages) She spoke of God, family, and laughing.*

I keep thinking I will see her at my work.

Miss u Judi. Will pray for you.
