

Judith Ann Palm

June 30, 1944 - June 27, 2026

After 81 remarkable years, Judith A (Gordon) Palm of Shelby Township, Michigan passed away peacefully surrounded by family on June 27, 2026. She is survived by her devoted husband of nearly 60 years, Bill Palm, and her loving daughters Jodi Merrifield (Michael) and Jennifer (J.J.) Koehn. She was the proud grandmother of Andrew and Matthew Merrifield and Mackenzie and Delaney Koehn. She also adored her grand dogs, Ace and Breslin.

Judy graduated from Western Michigan University with an associate's degree and excelled in her roles as an executive administrative assistant for Ford Motor Company and as a head school secretary in Utica Community Schools (Plumbrook, Crissman and Morgan). After retiring, she enjoyed her summers at Higgins Lake, frequent trips to Florida, and spoiling her grandchildren. In her spare time, she was an avid reader and an extremely lucky Bingo Queen.

She will be best remembered for her devotion to family, quick wit and humor, and her love of birds.

It was Judy's wish to not have a funeral service.
