“ To the family: I am so sorry in the loss of your daughter, sister and mom. Judy was a big part of your lives and I remember all the school fundraisers she asked us to participate in so that her children and other children could have a good education and school experiences. I am so sorry in your huge loss. Keep her in your hearts and treasure the memories. The picture is from Estes Park in September of 1991. Kathy Zavela - Loveland, Colorado

Beautiful in Blue - April 14, 2021 at 12:00 AM

“ Judy conducted herself always with a spirit of quiet gentleness. Her smile revealed her capacity to love. We became friends working together at Our Lady Of The Pines retreat center but it was in reconnecting during her illness that drew closer still. I believe she walked her path to her Heavenly home the way she lived her life . . . with dignity and grace. I will hold her memory in my heart always.
