“ Dear Joe, I am so sorry for your loss. I found out through the newspaper. I am praying for you and your family. It has been a long time since we have talked. I am retired now and would like to get together when you have time. I think about you a lot. Your brother in Christ, Ron

“ Aunt Judy was a rare gem. . . a precious shining jewel this world. She was a joyous person who always made others smile. She had such a positive outlook on life and a love for others. She was a strong Christian who lived her faith to it's fullest. She had a love for God that permeated everything she did.

We enjoyed visiting with her whenever we could see her. She was always so thoughtful, taking pictures and sending us copies. I love the pictures she sent from last summer with Uncle Joe and Josiah playing on the stuffed pig.

We always admired your marriage. . . it was obvious that she adored and supported Uncle Joe. . . theirs was a marriage that all of us strive for -where they both built up and supported each other, seeking only life's best for the other. They had a connection that few couples ever experience. What a blessing to watch them even as a child and later as a married adult. . . a terrific example of what marriage can be!

Aunt Judy was a shining ray of sunlight in a sometimes dreary world. Truly, we will miss her dearly. . . and count ourselves blessed to have known her and been a small part of her wonderful life. She's one of a kind!##imported-begin##James, Gloria and Josiah Cavalier##imported-end##
