

Judy Stielor

July 11, 1941 - March 28, 2023

Judy M. Stielor, age 81 of Clay Township passed away March 28, 2023. Judy was born on July 11, 1941 in Detroit, Michigan to Kenneth and Alice (Brockelbank) Carl. Beloved wife of the late Richard Stielor. Loving mother of Kimberly Lynne (David) Jugowicz and Kenneth Richard (Erin) Stielor. Dear grandmother of Caleb Stielor and the late Jacob Stielor. Judy gave up her working career in 1967 to become a wife, Mom and homemaker. She spent the rest of her life dedicated to creating a fantastic and wonderful home to share with her loving husband, raise her children and entertain family and friends for over 55 years. It was what she always wanted in life. She shared all the joys, sorrows, failures, and accomplishments life would send our way and she will forever be part of our identity. Collecting teddy bears and cardinals along with tracking and documenting our family lineage were some of her favorite hobbies. Judy loved spending lots of time gardening and boating in the summer. Walking her dogs on the beaches of the Upper Peninsula and spending time around a good bonfire. She enjoyed ice skating and snowmobiling in the winter and even a toboggan run or two with the grandkids. Her love for nature and all of its creatures was well known. Any injured animal found was brought to the house, welcomed and rehabilitated no matter what it was. Sometimes they even became household pets! She was proudly known as Dr. Doolittle of the neighborhood. We will miss her smile, her laugh, her love.....until we meet again on that beautiful beach in the sky.

“ Aunt Judy will be greatly missed. She has always been the spunkiest lady in my life, and she will be remembered for her sassy humor, sparkling smile, beautiful nails, and of course her love of all creatures! She was a tough, no-nonsense gal who didn't put up with s**t from anyone, and I have always admired these qualities. I am sad that she is gone from this world, but also relieved that she is finally free from the pain and mental anguish she has lived with for over a dozen years. She is now free to actually speak her mind once again. Much love to you, Auntie, and enjoy the eternal life with Uncle Dick, Jacob, Mom, and all the animals that you have loved on earth.
