“ *Dear Bialk Family,  
Thank You for sharing Judy with us. She was a sweet and genuine person. She was also a hard worker and had wonderful insight. I looked forward to working with her on committees because I knew she would get things done! She was able to do so much with her laughter; she imparted happiness, amusement, and deflected negativity.  
She will be sadly missed and we are all better for having known her.##imported-begin##Kim O'Shea##imported-end##*

“ *As we are all missing our dear friend, Judy, I was wondering if anyone has an idea for a memorial in her honor? I'm certain several friends would love to make a gift in honor of Judy. Please let me know if anything is established.*

“ I was so saddened to read in today's paper that Judy has left our world, but find comfort in knowing that she is in paradise with our Lord now. Judy and I worked together years ago at the FBI. She and I also worked as officers of the Detroit Chapter of FBI Alumni. Although we have lost touch in recent years, I will always remember her sunnyside up personality and bubbly laughter. My prayers for comfort, peace, and love are with all of Judy's family and friends.##imported-begin##Cindie##imported-end##

“ So sad to hear the news.

*Judy you were one of a kind - so very special with your smile & laughter. You made my job on City Council a breeze with your all your incredible help, your laughter made the difficult problems seem so little - it was all about attitude.*

*My deepest sympathy to your family & friends.*

*And to you, you touched my life with your kindness, your laughter, your friendship! Thank you & God Bless.##imported-begin##Linda Raschke##imported-end##*

“ Judy's Family: I am going to miss Judy, she was such a wonderful and always cheerful person. Never had a bad or negative word about anyone and as you have read, always had the candy dish filled! Judy would motion me over and say, Judy, I have your favorite, which I would run over & get my "Twix fix" for the day. It is going to be sad to see her desk without her sitting there. God Bless.##imported-begin##Judy Bopp##imported-end##

“ Dear family members and friends although we have to shed tears now, it is only temporary because our heavenly father bestowed a promise to us in the holy writings(bible). If you were to turn to Revelation 21:3,4 you will see that he has promised to wipe out every tear from their eyes and death will be no more, neither mourning nor outcry nor pain anymore. The former things have passed away." May the God of comfort prove to be with you all as we wait for him to restore this earth back into a beautiful paradise, full of love and laughter.##imported-begin##Nikki Thomas##imported-end##

“ Mrs. Bialk, Susan, David, and Janice – My most sincere condolences to you. I'm still in shock and numb at the sudden loss of our beloved Judy. Jennifer, Joe, Matt & Jessica you were the light of your Aunt Judy's life and I've heard so many wonderful things about all of you over the years. She was so proud of you and all that you have accomplished. I loved to hear about her special events and weekends with "the kids." I will miss hearing about Jennifer & Joes moving experiences! As we all know, the brightest twinkle in Judy's eyes were Lauren & Nicholas...she loved you so very much and enjoyed every minute she had with you – especially the babysitting weekends. Maryanne – we always thought of you on Tiger's Opening Day and would laugh while we sat in our warm office watching it snow some years. Judy was the most genuine friend one could have. We had some awesome travels together with our City and Oakland Twp. friends, lots of laughs (especially walking miles in Chicago with our luggage in tow...), and we have shared some tears over the years. Our shows at the Fisher will never be the same. Julie & I will have coconut chicken at the Roadhouse in your honor. Thank you Judy for your friendship, you will be missed dearly.##imported-begin##Lisa DeLeary Foster##imported-end##

“ My deepest sympathy to Judy's family. Judy was a wonderful person to work with at Rochester Hills. She brightened every day and every project. My lesson learned from Judy is that your attitude can change everyone's attitude around you. I'll cherish that and keep Judy's spirit alive everyday.##imported-begin##Patrick McKay##imported-end##

“ My heartfelt sympathies to Judy's family. I miss our kibitzing at lunch about 'Dancing with the Stars' and how grand life was in the 50's & 60's when we grew up.
