“ I met Julia through Stampin'Up! She attended my various card events and really loved Bingo nights. I enjoyed the smile on her face, and she had so much fun with all the other guests. Julia is one of the most beautiful, kind, gentle, and caring people I have met. She will be missed by all. My heart and prayers go out to her family and friends. She was very special to me!

“ Julia Walter was a very spiritual person. I will always remember her and her husband Bert going to mass almost every day. I pray her passing was peaceful and that she can now enjoy her everlasting home, I also pray for those left behind. Hopefully your memories will ease your hearts.

“ I'm so sorry to hear about Julia's passing. She was always very kind and will be missed by many. We appreciated your prayers and kind words when Madeline was going through Leukemia. We got to know her through her wonderful husband, and our dear friend Burt Walter. God bless you Burt in your time of sorrow and Julia Walter may the Lord watch over you.

“ *Julia came to the Orange Peel Restaurant often and the staff here really got to know her very well. She will always be remembered as a sweet and thoughtful woman with a very kind soul. She even thought of us during the holidays and when she came bearing chocolates from her cruises. We will miss her smiling face , making our day a little brighter. She will always have a space in our hearts. From the Staff at the Orange Peel Restaurant*

“ Mom,

*Our lives go on without you
But nothing is the same
We have to hide our heartache
When someone speaks your name
Sad are the hearts that love you
Silent are the tears that fall
Living here without you is the hardest part of all
You did SO MANY things for us
Your heart was KIND and TRUE
And when we needed someone
We could ALWAYS count on you
The special years will not return
When we are all together
But with the love in our hearts
You walk with us forever ❤️

“ *My husband and I both knew Julie when we worked at Bon Secours Hospital. I had the good fortune to work with Julie in the Endoscopy Unit. She was such a kind and caring person. I don't think I ever saw her get angry with anyone. She greeted patients with her calming voice and a smile. Rest in peace Julie. Our deepest sympathy to the family.*

“ Mom I am going to miss you like crazy. It doesn't even seem real that you're gone. I'm glad you are no longer suffering and at peace. Dad has waited thirty years for you. I know dad and Ed picked you up and off to paradise you guys went. You were such a class act. Trusting, loyal, loving, caring, strong in your faith, and a beauty until the end. You deserved only the best. I know you now have it. Give dad a big kiss and tell him how much I love him. Until we all meet again! Fly high beautiful little lady!❤️❤️❤️

Joann, your mother was a kind and loving presence on our court and she will be deeply missed. No matter the weather, I would catch a glimpse of her out the window in her yellow jacket, hood up covering her face and walking Gizmo. She would often stop by and come in to see my husband, Jim, just to say hello and that she was thinking of and praying for him. She always cheered him up. You and I worked together at 26 mile Kohl's, but in different areas. Deepest condolences Joann to you and to your family. Your mother was a blessing and brought a calmness of spirit to all those who crossed her path. Laurie Morettin
