“ *Jill, Jon & Jeff,*

I am incredibly sorry. It is truly amazing how time passes so fast, lives become hurried and we forget to check in with those we once stayed in constant contact with. Your Mother was the Matriarch of Mott High School. (Even though I didn't go to Mott I was fortunate enough to hang out at the Boback's house!) I look back on those times, each of you, and your Mom made those some of the best times of my life. I remember talking to your Mom about any and all issues, sitting at the counter in the kitchen. Time has passed by so fast, I've bumped into each one of you here or there over the years and have always wished you and your family well. I'm certain nothing I could possibly say would ease the pain of her passing, but if it's one thing I remember, it's that she taught all of you to watch out for one another, and to take care of each other. Remember her always - forget her never. My sincere condolences for your loss.##imported-begin##Renee Stefankiewicz##imported-end##

“ Jon, Jeff and Jill-I can not express how sad I was to hear the news of your mom. I will always remember sitting in your kitchen while your mom was drinking coffee and reading one of her many books. She will be missed by many and I hope you three know that you are not alone. You have an abundance of friends that you can always count on. May a part of your mom live on in all of you.###imported-begin##michelle seidl###imported-end##

“ Dear Jon, Jill and Jeff:

I would like to pass along my heart felt sympathy to each of you. I got to know your mother well during my high school years at many get togethers at the Boback home. We had many chats in her kitchen and at parties at Jon's house. She was a very pleasant lady and caring mother who will be truly missed by her family and friends.
