Beautiful pictures Mary Ann. She had a larger than life personality, eyes that were stunning and when it came to praising the lord, she didn't hold back.

One time she attended the church I was going to. During praise and worship

she walked up and down the aisle with her hands in the air singing and worshipping God. It didn't matter to her what anyone thought about her.

I'm sure knowing she is in paradise with our Lord, gives you some comfort, but I will continue to pray for you and your family during this difficult time.

Much love to you and your family. ❤️🙏
