“ I remember how Mom used to buy orphan trees and plant them in our backyard. Now a 50 foot Redwood is thriving at 16635 Kingston because of her gift for gardening. Rest peacefully, Mom. I love you! John

“ I remember a time when Grandma June wasn't struggling. We were at Aunt Jenne's house gathered around a fire in the back yard with Uncle Mike, Aunt Linda. Uncle Joe and Zelma. We had a great time and then a few months afterwards her health got bad. I miss her. Love, Zak

“ Good morning: I remember all the good times we had together. Going to Lola Valley Park with George and Virginia on November 11, 1949 for a cook out. We had been horse back riding. This was all farm land here in Redford. We now live just about a mile from the park. I always think about that day. It was cold. You were also my Maid of Honor on my wedding day. So many memories. Love you,
