“ *My first best girlfriend back in the 60's when they lived on Strasburg. We went to school together and made our 1st Holy Communion together. And as time moved on we drifted apart....but I often thought of our early times together and tried to reconnect. I'm sad that we never did. But Juney was a kind and fun kid and I will always think of her and her family with a deep fondness. Sorry for your loss at such a young age and hope your memories will warm your hearts....*

“ *Pat, I am so sorry for your loss! I will miss June so much! I made her favorite homemade stolidoli as I know that will bring her so much joy and giggle while she sips and read her favorite book by the pool.*
