“ I still miss you and think of you almost every day. It's crazy how life
took one group of friends in so many different directions. I visit your
grave often and hope you are at peace. Love you. Jessie Jax

“ *It's so shocking and very sad that Justin had to be taken from us at such a young age. I thought that I would be able to come and pay my respects at the side of you but it's just not that easy. I don't want the last memory I have of you to involve or have anything to do with a casket or the fact that I never get to see you again. I will continue to pray and help your family in anyway possible. You will never be forgotten. I had some really good times hangin out with you. IF LOVE ALONE COULD OF SAVED YOU, YOU WOULD OF LIVED ON FOREVER.....##imported-begin##John Radegonda##imported-end##*

“ Justin, I love you, and to all those that don't know. Justin excepted Jesus as his Lord and Saviour when I visited him in the Hospital a few months back. So he's walking the golden streets, swimming in the sea of glass, waiting for all of us to be with him again, but you must except Jesus to make it in, ask him into your heart today, lets pray, Jesus come into my heart and save me and forgive me for my sins, help to live for you, and to be obedient to all you command, so in the last day I breath this breath of life, I can stand before you and enter into everlasting life, and once again be joined with those who went on before me, Thank You Lord, for saving my soul. Amen. Justin save me a seat at the great supper of the Lamb, we'll have alot to catch up on, see you then, keeping you close to my heart forever, with all my love.
