“ Karen was always so caring and sweet when she would see me at Sally Beauty supply when I worked there- she would come in and hug me and cry and tell me how sad she felt for all my family losses( mom, both brothers) I always felt cared about and her empathy was appreciated and made me feel less sad/ I appreciated seeing her even tho we both got emotional she made me feel cared about- I will miss her and the memories I have from when I was a kid with her- RIP- my condolences to her family and my cousin Billy-Diane Carroll (Raptosh ) so sorry for your loss
