“ Karen was my baby sitter when I was a kid growing up on Wagner in Warren. My Mother called me this morning to tell me of her passing. Even though I haven't seen Karen for years, it saddens me to hear this. To Karen's parents, Mr. & Mrs. Ficht, and to her entire family, my sincere condolences and prayers.

Sincerely,

“ Dear Summers Family,

I was so sorry to hear of the loss of your dear loved one. By means of God's Kingdom or real government, the Bible promises at Isaiah 25:8 "He will actually swallow up death forever and the Sovereign Lord Jehovah will certainly wipe the tears from all faces." I hope this scripture will be of some comfort to you and your family.

Sincerely,

Mrs. Washington

“ *My deepest sympathy to the Summers family. May you find comfort in the wonderful memories you've shared together and that knowing Karen is resting and not in any pain.(John11th chapter) God promises that better times are soon to come and He's going to "wipe all the tears from our eyes, and death will be no more,neither will mourning nor outcry nor pain be anymore."(Revelation 21:3,4;Psalms 37:11,29) That truly is something to look forward too! May this promise from God bring your family comfort at this very sad time.*

Sincerely, Glenda

“ As a kid, Karen made me feel like I was part of the family. I can't even tell you how many hours/dinners/nights I spent at the Summers' house and I always felt welcome and loved. Connie and I were insuperable as kids so I have countless memories with the Summers and of course Karen is a huge part of those memories. The family attended my wedding four years ago and I am so thankful they could all be there to share in that special time with me. Although it has been years since we've been close, Karen made a huge impact on my life and I will never forget the wonderful person she was. I am so sad and am sending love to Dave, Connie, Jessie, and the rest of her family.

All my love,

“ Dear Summers Family,
It's sad to to see someone so nice with so much to look forward to have to pass so soon. Despite the pain all can take comfort in the hope of seeing Karen again (John 5:28,29). In a world free of sickness, pain and death. Now that's something to look forward to.

“ I met karen 5 years ago when I started working at Gentz. I was fortunate enough to work closely with her the first year and she turned into a true friend. We had our walk to the coffee machine everyday; even when the coffiee was not worth the walk (we said it was a social thing). She was my go to on raising two teenage girls (who better to go to), she was a shoulder when I needed one, she was someone to laugh with and most importantly she was truely a caring person with a heart of gold. Cindy is right in saying that she was the one person at Gentz that not one person had a negative thing to say about and made the world a better place. RIP Karen I will forever miss our morning walks and your smile.

“ It was with a great sense of loss when I heard of Karen's passing, my heart is truly saddened.
I worked with Karen at Gentz for many years, she was more than just a wonderful person; she was always so kind and considerate to us that we always welcomed seeing her at every opportunity. Her passing will not only leave a void in our lives, but in the hearts of all those who knew her.
My sincere thoughts and prayers are with her family.
With deepest sympathy,

“ I am in tears hearing the news of Karen's passing. I worked with Karen at Gentz for 5 years. Always a smile on her face, the most caring person in that place, and 1 of the only ones that you never heard anything negative about. When I was fighting my cancer she reached out with cards and phone calls, that meant the world to me, she made this world a better place. Although there is comfort that she is not suffering anymore fighting that awful disease, her passing is way too soon, I will never forget her, and will continue to miss her. My sincerest condolences to her family.
