“ *We are all here to honor Katherine Corrion....to many of us she eas "Aunt Kay"....she wasn't an aunt by blood,but by marriage...."A Gem to keep"....Aunt Kay was a kind amazing woman..She was down to earth,never bragging or held herself above others.....She was always up-beat and had a dry sense of humor...I always enjoyed being around her....We had a joke between us.....when going to family get-togethers....We would always say..."If you get there first...save me a seat"Aunt Kay....when you get to Heaven..."Save me a seat"....Love you...Gloria*

“ *I knew Kay at St. Mary Queen of Creation church. She was a wonderful person so full of life and laughter. She talked about her family and the twinkle in her eyes let me know how much she loved them. We sponsored tables together at the Advent Teas. Fond memories. My deepest condolences to her family.*

“ I met Kay many years ago through Cub Scouts. I was a den leader and she was the den leader coach. She helped me tremendously. She was always there to help in any way she could. Always going the extra mile. Hoping the memories you've gathered over the years help you through these difficult times. Cheryl Koehs

“ Aunt Kay was always active in the lives of her nieces and nephew, as we were growing up. From Allen Park, MI to Weston, ON, she was there for a visit. No matter where we were, she entertained us all from taking us to the drive-in theatre, shopping and sharing her favorite recipes. She was a good sport, when on one visit, she was handed a bucket of paint and a brush to spend her weekend fence painting with her nieces and sister-in-law. In my sadness, comfort comes with remembering all the family fun we had over the years especially her big hugs and kisses. She loved us all deeply, as we have loved her.

Love's Tapestry - October 02, 2020 at 12:00 AM

“ *Spent several summers at the house during my school vacations. Funny lovable Aunt. A strong remember is when she used "arrow" soap to clean my close. Cotton balls and baking soda for a few days. Looked and felt like a flackey pie crust.*
