Heilman family, our thoughts and prayers are with you in this very sad time. My mom (Mary Cable) would always talk about how Mrs. Heilman would sit in her chair in the back yard and study and study. We admired her for how she could take care of all of her kids and also earn a degree. Talk about doing it all! Our family lived down the street on Canberra for many years. We grew into adults along with the Heilman kids and have many happy memories. Take care of each other in this time of sorrow.
