“ Aunt Katherine I wish I would have been over to see you since my dad passed. I thought of you often, actually every day that I think of dad, I think of you. It was kind of hard not to. You were so special to him and therefore special to me as well. I hope you are with dad and no longer suffering any pain. You were the closest person I knew to dad, and I will remember you always. God Bless you Aunt Katherine.

Love
