“ Kath was such a kind and fun loving person. She will be greatly missed. She not only took great pictures she loved taking them! She was always happy and smiling. Kath and I worked in the same department at Blue Cross for about 10 years. My condolences to her family. May the Lord comfort you during this difficult time.

“ I knew Kath as our official "photographer"! :) Always attending our Retiree Association events and capturing the fun camaraderie being shared by everyone! She showed such enjoyment when doing it! My deepest sympathies go out to the Arndt family - but be consoled in knowing she is now in heaven taking and sharing pictures with loved ones gone before her!

“ I would always remember when I would call you and your mom would get off the phone to allow us to talk to another. Your mom also would always ask me, how are you doing? I am so sorry for your loss. You and your family members are in my prayers at these difficult times.

“ Kath I am going to miss our conversations and your fun personality. We wanted you to get better and live on. You also wanted the same. Sometimes what we want is not in God's plan for us. Rest in Paradise Kath. To her family and friends, my prayers are with you during this time. Let not your hearts be troubled.
