“ Always remember our times at McDonald's and the 40 years we have kept in touch. I'm going to miss our talks. Rest easy my friend til we see each other again. 💕💕  
Will never forget that look on your face in the grill area when I said "I'm in love " to the cute guy at the counter and I was behind the stack. 🍷❤️ love you girl.

“ Aunt Kathy

*Thank you for all the years you have been my aunt. You saved my butt on more than 1 occasion from my dad. The best one was the year dad had you keep an eye on us while he was on vacation. We had a blast that week. My best friend decided to leave home and she stayed with me. When dad was due back you took her home with you for a while. The was your kind and generous soul working. I remember the laughter and the kind words . Rest in peace. Say hello to everyone up there. We will miss you. Love your favorite niece ;} Robin*
