

Kathleen "Kathy" Juracek

June 25, 1948 - April 16, 2021

Kathleen "Kathy" Juracek, of Clinton Township and formerly of Roseville, passed away Friday, April 16, 2021, at the age of 72. She was born June 25, 1948 in Detroit, Michigan to the late Robert Milton and Doris Eline Arnold.

Beloved wife of the late David Bruce Juracek. Dearest mother of Melinda (Michael Nied) Caito and Victoria (Steve) McDiarmid. Loving grandmother of Sarah Caito and Madeline McDiarmid. Dear sister of Beverly (Jim) Trepczynski, Connie (Colin) Yates, the late Robert Milton Jr. (Diane) and the late Bonnie Lee Arnold. Also survived by many loving family members and friends.

Kathy was a proud member of the Knights of Columbus Ladies Auxiliary. In her free time, she was an avid crafter; everything from sewing to scrapbooking, diamond painting to crocheting, she enjoyed them all. She also cherished the time spent with her best friend and husband, Dave; whether it was from enjoying the flowers that he planted in the garden or sitting on the boat with him while he fished, she treasured it and no doubt had a huge smile on her face when she got to Heaven and was able to see him again.

“ A year or so ago, Kathy posted a video on F/B of her shopping for a mattress with her granddaughter. I must have watched that video 6 times each time laughing out loud. I sent her a text of how much I enjoyed it and how much she reminded me of Aunt Doris. She would do something like that and then have that distinguishable giggly. I am so sad for the family to have lost someone way too soon. Blessings, Sue Koch

“ *I have so many wonderful memories with Kathy, from working in the trailers on the Chrysler job sites, to scrapbooking at Dave's mom's cottage with Connie and Bev, to spending time with her and Dave at their cottage in Houghton Lake. We were definitely partner's in crime and were always up to some kind of shenanigans. She was that special friend that I could share anything with. I loved her like a sister and am so blessed to have had her in my life. I will always cherish my memories of her and our friendship. With Much Love, Julie*

“ This is such a funny memory, but when we were little girls we loved to play like we were on the TV show Flash Gordon. Because I was a year older I always made sure I ran everything (yes I'm Type-A). So, I always had Flash Gordon as my boyfriend. One time she tried to insist that I let her be Flash Gordon's girlfriend. I wouldn't let her. Poor thing never got to experience the "Thrill". LOL We always had fun together playing when the family got together. However I was always the bossy one and she pretty much went along with whatever I said. I know she will be missed by so many...her FB posts always showed through photos how much she was loved! None of us knew our father's mother as she died when they were just boys, but I know Kathy was named after her and I always thought that was so special. Love, your cousin Wanda Arnold Ranney.
