“ Every Christmas eve they would have a get together at their house. She always made us feel so welcome. Kathy and I would take and she would give my mom advice about my daughter Alyssa. She was a wonderful host, just a wonderful woman. I will truly miss her. She left us way too soon. RIP beautiful lady.

“ At every family event, I always seemed to gravitate towards her. I enjoyed her company. She would tell me stories about my dad, aunts and uncles. She was a wonderful person. Easy to talk to. Beautiful soul. I will miss her. Hugs to everyone.
