“ *I am so shocked and saddened to hear this news about Kathy! She had such an eccentric and flamboyant personality no one could compare, kept us in laughter always! Whats a world without these kind of special people in it. What a loss to her family and friends.*

“ Kathy was one of the first people I met after moving to Michigan from Georgia in 1992. We remained friends for the next 20 years. I loved her like a mother and miss her so much. She was always supportive of me and I loved talking with her; she made me laugh and always listened and helped me through so much: losing my mother, when my kids were little and then growing into teenagers and so much more. She was so sweet and when I would visit her always clean house I would sit in her kitchen and she would make me a sandwich and drink and take care of me. She always kept her flowers so nice too, I loved her and will always miss her. She was very dear to me.

My sympathies to George and her boys, their wives, and her beautiful grandchildren that I know she adored. She will be sorely missed by many. I am left in shock but am thankful though that she did not appear to suffer.

*With deepest sympathy,
Monica Maitland

Thank you so much, Monica. Kathy always spoke so dearly of you. I think we met once years ago, Kathy had a garage sale going on and you stopped by. I am her loving and grieving sister...Marilyn
