“ *I would like to sign the Guestbook for Dorothy L. Wood. My favorite memory of Dorothy has to do with the Edgar Degas exhibit held a few years back at the Detroit Institute of Arts. My brother, Gary, did not want to go there or take me there. Dorothy was an usher for this exhibit. She not only talked Gary into going, but she drove us both down to the DIA and helped us get a discount on our admission tickets. Although in poor health, her devotion both to friends and to art was still strong.*##imported-begin##*Barbara L. Gardecki*##imported-end##

“ *We are very saddened to hear about the loss of such a wonderful, caring person. Aunt Kathy meant a great deal to the both of us, and we send our love and prayers from Virginia to all of you. She was one of the most vibrant, fun, and loving people we've ever been blessed to know. We miss you so much already, Aunt Kathy.*
