“ Jim and family,

Our deepest condolences on the loss of your mother. She was a wonderful, patient spirit with a great sense of humor. It always brought a smile to my heart to see her and Ernest in their playful moods -- his voice booming from the living room -- her patient smile in the kitchen. We miss them both. You'll be in our thoughts and prayers.

“ *To Rachelle and family, I am so sorry to hear of mom's death. You know my thoughts and prayers are with you, I would certainly come but it is such a distance and Harold isn't doing that well so I try not to be away from home long periods. Know that I am with you in thought and memories. Love, Phyllis##imported-begin##phyllis collier##imported-end##*
