“ You were the most wonderful person I knew. We loved you very much and are very proud of everything you overcame. I know I have someone I can talk to whenever I need to and that you are listening to me. I will make you proud of me I promise. I love you Grandma. I will never forget the 19 years that you were there for me.

Your granddaughter,

“ To Judy Dupuis - Hello, Judy. You may not even remember me; I'm the brother of Laurie Lipton, and knew you briefly around 1968-69, just before you left for New England.

I'm very saddened to hear of the loss of your Mother. Although I didn't know her, I remember your warmth, kindness, happiness, friendliness, good humor and positive, adventuresome outlook on life.

We are all shaped by so many people and experiences in our lives. At 20 or so, I think we are quite a reflection of our parents, so I think your Mom must have been a delightful woman.

I wish you my sincerest condolences, hope that your life has been good, and want to thank you for your kind friendship so long ago.

Sincerely, Larry.###imported-begin##Larry Lipton###imported-end##

“ We were sadly shocked when Loret Roberts telephoned informing us of the recent death of your beloved wife. We never had the pleasure of knowing her. We did visit your cottage at Rice Lake one Sunday afternoon, a beautiful afternoon, where we certainly enjoyed the surroundings in and about the cottage.

Our thoughts and prayers go to you and to your extended family, including David and Barbara Roberts and Richard and Elaine Blight.

With Love from the Korpelas, Orval and Nancy.##imported-begin##Orval and Nancy Korpela##imported-end##
