“ Jeff, I was so sorry to hear about Kathy's illness and passing. I never knew her, but she looks like she was a beautiful lady. I always enjoyed seeing you and the gang and wish that I could have made it there today. Jeff is out of town, otherwise he would have been there. Often things happen in our lives to turn it upside down and we never know why. Stay strong and know that I will keep you in my prayers.
Your long time friend,

“ I was blessed to have you in my life and even more blessed to call you friend. You always had a smile on your face and a kind word to share. Our membership in NALS took us to many interesting places and we had plenty of interesting adventures. I am grateful to have shared so many wonderful times with you -- and Jeff -- at all of the in-state and out-of-state meetings. NALS is what brought us together and I will continue my membership in your honor. Rest well now sweet girl. You had a long battle and you are now at peace in the arms of The Lord and your loving friends and family who have gone before you. You will be missed but never forgotten. Love you special.

“ Although no words can help to ease the loss, just know that you are very close in every thought and prayer

“ *Kathy was a sweet person and good friend. Together she and Jeff were strong advocates in the fight against cancer through ACS/CAN and the American Cancer Society Relay For Life. Her and Jeff were always together and always on some adventure, she lived her life to the fullest and always had a smile to offer. Kayhy and Jeff were also very active in the Warren Sterling Hgts Elks, working with the Youth Activities/Drug Awareness, Kathy also served as a lodge trustee up until she became ill. She will be missed but not forgotten. I am confident we will see her again in Heaven...*

“ Well I didn't see Kathy very often, but when I did we talked about our dogs and the compassion we share for animals. Her dedication to the cancer foundation was obviously a significant part of her fight to find a cure. I remember one of the yard sales at the lodge, her table was across from mine and I was just being silly and every time I looked over she was just laughing her butt off at my silliness! As you can tell by her big smile she was always up for a good laugh~~Rest In Paradise~~ My Friend <3
