“ *Although I did not know Katie personally, I grew up with Deena in Washington twp going to the same schools. I remember Katie always chaperoned our school field trips and I was always in Deena's group with her mom. Even at a young age I could tell Katie was a great mom always taking part in school field trips, and working hard to raise her beautiful daughter that I can call my friend. Even tho Deena and I talk far in a few I just wanted to say how sorry I am for your loss, losing a parent is one of th hardest things I've gone through and I have been keeping you in my prayers. Your mom was always such a kind woman when I had a chance to interact with her. May she Rest In Peace and know there is a higher power and I beleive she is somewhere more beautiful than here. She will always watch over you guarding and protecting you.*

*Much love,
Riva*
