

## Kay Miner

November 2, 1952 - March 1, 2023

Kay Carol Miner, 70, died peacefully March 1, 2023 after losing her battle to Dementia. She was born November 2, 1952 in the town of Billericay located in Essex, England, the daughter of the late and beloved Denis and Joy (Barnes) Collins. The family relocated to the United States in 1966 aboard the Queen Mary.

Loving mother of Rebecca (James) Nicholas, and Courtney (Larry) Workman. Beloved sister to Tina (Steve) Tranchida. Proud grandmother of Kayla (Jared) Hayward, Ethan, Drew & Eli Workman. Dearest Aunt to Taylor, Madison & Justin Tranchida.

Kay had a love for animals which stemmed from living in the country with horses, pigs, chickens and of course at least 2 dogs or cats but her joy in life was being a grandmother. She loved devoting her time to her grandkids. She also enjoyed being on the water and was part of the Bayliner Boat Club. Kay enjoyed being a member of The Commonwealth Club, which took her back to her British roots.

“ My dearest friend Kay will be greatly missed. Our decades of boating and traveling together are & always will be cherished. Kay is a part of my every day thoughts. A friend like Kay is one in a million. She always had Tina, Rebecca and Courtney and their families number 1 on her life's priorities. I am blessed to know each of you. May you find peace in your hearts remembering the wonderful person she is. I return to Michigan mid March and will miss your gathering. May you celebrate her life with smiles from memories, fun and energy like she had, and yes I'm sure there will be tears. I will celebrate from afar with you all in mind. She will always be a wonderful friend above watching over us.

“ Kay Miner was my second mother. She welcomed me into her home...and her family with open arms. From the time I was 5 years old, we have been building memories over many years! Some of my ultimate favorite memories with Kay include: The time she brought Rebecca and I hot cocoa and more blankets as we waited (first in line) at Harmony House OVERNIGHT to get New Kids on the Block concert tickets! The MANY times she took me on their family vacations to Florida! The time she helped Rebecca and I contact people in the New Kids on the Block’s “people” to invite them to the special needs event through the Bayliner Boat Club...AND THEY ACTUALLY CALLED US!!! The time she let Rebecca and I get into scuba wetsuits and climb in their family pool in Oct/Nov...in Michigan...just bc we wanted to! Or when she called us TAXI CABS (you read that right!) to take us to/from Skate World of Troy bc we HAD TO BE THERE for the All Night Skate and Dance parties (that my parents didn’t know I was attending). When we took the boat all the way to Port Elgin, Ontario to meet my mom so we could go to Sauble Beach. I LOVED to make her laugh...I will ALWAYS remember the sound of her laughter. The way she was so proud of her daughters and grandchildren! The way she made you feel you could go to her with ANY problem and she would help you get through it without judgment! The way she took in multiple other people into her home at any given time...as a single mom and did it with a smile. I miss her already, but know that we have one ABSOLUTELY AMAZING ANGEL watching over us now. ❤️
