

Keith James Mason

October 9, 1993 - May 12, 2026

Keith James Mason, age 32, passed away far too soon on May 12, 2026, in Clinton Township. He was born on October 9, 1993, in Clinton Township.

Keith was a hardworking and skilled forklift driver who began learning the trade at a young age under the guidance of his father. He dedicated his career to shipping and receiving within the automotive industry, where his strong work ethic and hands-on abilities served him well.

Outside of work, Keith truly enjoyed the outdoors and the simple things that brought him happiness. Hunting was one of his greatest passions, especially the time spent with family and friends on their hunting property near Chesaning, where he hunted deer. He was also an avid bird hunter often hunting duck and geese in Sebewaing. He also loved riding his quad and spending time outdoors whenever he could. When he wasn't outside Keith could be found in the kitchen where he was well known to be cooking up something special for his friends and family from scratch.

Keith had a love for fast cars and was especially proud of his Camaro — a car that may have needed a little work from time to time, but one that was always loud, fast, and unmistakably his. He was a proud graduate of Henry Ford II High School, Class of 2011.

Beloved father of Shawn and Riley Mason. Dear son of James and Cheryl Mason. Loving brother of Eric Mason. Dearest grandson of Jim and Carol Mason and the late Mike and Thylia Lare. Nephew of Dawn Mosqueda, Kelly (Mitch) Kress, and Doug (Cheri) Lare. Keith is further survived by special friends Aunt Sue and Uncle Mitch Irish.

Keith will be remembered for his hardworking nature, his love of family and the outdoors, and the many memories shared with those who knew and loved him. His passing at such a young age leaves a tremendous void in the hearts of all who cared for him.

There will be a celebration of Keith's life to take place at a later date, please check back for further details.
