“ Rest in peace Kelli. I'm sorry that I never got the chance to meet but you will always hold a special place in my heart. Thank you for being the kind sweet person that you were and helping my daughter in her last hours and days of need. Not many others cared, yet you did and you comforted her and tried to help her when she was sick. I'm so grateful that you were one of angels and I will be forever grateful to you.

My thoughts and prayers go out for your entire family and especially that little guy of yours. I know you'll be looking over them all and protecting and guiding them. You will never be forgotten.

“ When I first met Kelli at Henry Ford Macomb Hospital as a patient on unit 42. She has touched my heart to pray for her as I gave her a special get well card. I will always think about Kelli how much she ment to me. I sent her my prayers when she was at the Hospital and I send my prayers to her up in heaven as she waits for us all. Loving Lord Jesus may you hold Kelli in your loving arms as we wish her Love and Peace. Please keep her safe as she touches our hearts and we send our hearts to her. In your name Jesus Amen. We all Love You Kelli

I am heartbroken to hear of Kelli's passing. It seems like yesterday when she was in elementary school and after tutoring her I would drive her home. Kelli was such a sweet, kind and gentle girl. She always had a smile on her face. She is now your angel looking down on all of you and her precious Ayden. God bless you during this difficult time and may knowing Kelli is no longer in pain bring you some comfort and peace. Prayers and love being sent to all of you!!
