“ Kelly I didn't know you passed and it said it's me to the core. I was a friend of Renee's for those that might not know me that's reading this I knew rainy and Jacob they were just young. As weird as this sounds three nights in a row I had a dream about Kelly. In my dream he had a black horse for some reason that's what came through. I couldn't find him on Facebook I just wanted to say hi I was just weird I had a dream about him they looked on Jacob's page and I seen that he had passed and I just devastated and I'm so sorry I didn't know that it actually really it hits me hard because we had a lot of good times when he was married to Renee. Rainy and Jacob I'm really sorry. And rainydo you still walk on your toes I thought that was the cutest thing. Your dad was handsome and a great guy and I am truly saddened by the news even though it's a year later it just makes me so upset that I didn't know. I want to tell Renee or my sister Shelly will because I don't know I don't think she knows cuz she would have told us cuz we were all friends when they were married and I just want to tell you my heart goes out to you and I'm so sorry .
