“ Kelly gave so much to others through her dedicated and loving heart for children! My wife Barb and I knew her from LSSU His House. We went on a spring break mission trip to Mountain Mission School in Grundy VA where she later joined the teaching staff there to love on children and share her deep faith in Jesus! She was a great light and blessing to all and I loved her laugh! We are so sorry for your loss and pray that God walks with you through these tough times and gives you strength to rise up on eagles wings! Sincerely,

“ So sad to hear about Kelly, time goes by so quickly. My wife and i knew her from His Hoise at LSSU, she could light up the room just by being there. So much love and laughter for everyone and she loved Jesus with her whole heart. Oh the party she ,usr be having with him now!

“ God brought Kelly into my life at just the right time! I learned so much under her leadership at GPNS, both professionally and spiritually. Though my heart breaks for her family, I am thankful she is in her Lord's presence!

“ *Our family was very saddened to hear about Kelly. She was my eldest daughter's Kindergarten teacher and she instilled a love of learning and a confidence in herself that we see everyday. Kelly ran into her several years ago and said how she wanted to hear what she decided to do her senior year. My daughter is very sad not to be able to share what happens as she is entering her senior year this fall. We have many happy memories from GPNS with all of our kids and so much of it is thanks to Kelly and the program that she put together. Kelly was a good and kind person, and we appreciate all the wonderful things she brought to our family. Prayers to her family and friends during this difficult time. Love, The Hurst Family- Jennifer, Jon, Abby, Grace and Jack*

“ *Kelly was such a big part of my life and my families, especially Kameron and Brandon, while they attended the Nursery School and Summer Camps. I am saddened to hear of her loss but blessed knowing she is with Our Lord and Savior. I have so many memories of fun times, like time we went to the Thanksgiving Day parade. It was cold but man Kelly came prepared and kept us warm. And lets not forget the famous Grosse Pointe Nursery School game nights. WOW, what fun. Good food and drinks to be had and ohh let's not forget about trying to win before Kelly did. Boy was she competitive. LOLOL The fellowship and sisterhood we all developed during these game nights will always be special to me. And let's not forget her generous heart. I wish we could be there but since Montana is a little more than a hop skip jump, please know that the Fekete Family: Ron, Kameron, Brandon and especially me, RobYn are there in spirit.*

“ My family and I are so very sorry for your loss. Kelly was and amazing woman and wonderful friend. She help me in countless ways over several years in teaching and raising my 2 oldest children while they attended Grosse Pointe Nursury School, as well as many years into elementary school. She was a huge influence in my personal spiritual growth and my coming to know Jesus Christ as my Lord and Savior. I will miss her dearly, but do take comfort in knowing I will see my dear friend again in heaven.
