PS

“ I met Kenneth perhaps once or twice. I'm sorry I never got a chance to know him personally. But in a very real way I did know him. I can only surmise that Michelle and Kenny are extensions of him. And he was clearly responsible (in league with his wife and other family members) for molding and inspiring these 2 fine people. I know few who are as selfless as Michelle; and there aren't many in my circles who can bring as much joy into any situation as Kenny.

Today I hold the Haran family in Light and Love. I know that they meet all challenges with strength and resilience unmatched. This painful experience will be no exception.

God Bless.
