“ Kenny I can't believe you're gone. I Loved you like a brother and so did my wife Sara. You brought fun love and laughter into our apartment that we shared with you not far from D & S piers in Norfolk. That's when we met you Debbie when you came down to visit Kenny, you two made such a beautiful couple. I'm so sorry that I lost touch with the both of you. I have thought and wondered about you and Kenny throughout the years and when I did I'd have a smile on my face. Now I have a hole in my heart. I'm so sorry Debbie, so sorry.

Heartwarming Thoughts Boston Fern - August 28, 2020 at 12:00 AM

“ " Little Kenny," was one of a kind! Kenny had my heart since he was a little boy, his laugh, his humor, his character; I don't think there is another like him!!! He was always one of my favorite cousins. To all of his (our) family, loved ones, and friends, we grieve with you and will support you with our prayers. Our Lord Jesus is just a prayer away, He will always be there for hope in our future in these trying times. When it's my time to leave this world , it's my hope to see "Little Kenny" and some of the rest of my loved ones along with Jesus who has prepared a special place for us. Yes we miss Kenny with a sadness in our hearts... but just know there is hope. May our Lord Jesus comfort and bless each one of you. Kenny's cousin Dan and family

“ *Thinking of Kenny brings a smile on our face yet a sadness in our hearts as we will miss Kenny's humorous, witty, and classic Kenny comments. Kenny will be remembered always by his love of his family, friends, and neighbors, he was caring, helpful, giving, and a laugh that was as incredible as he was. Besides loving us all, we all loved him. I think everyone who knew him, loved him, he was just that kind of genuine person! He faced numerous health challenges that would have defeated anyone many times, but he kept fighting thru to be there for his family. Memories of Kenny will never be lost in our hearts💕💕*
