“ *Diane, Todd, Tim and Family,*

*We are so saddened by this news. Some of the very best times of our lives were spent with you all and Mr. K. From playing cards in his basement, to bumping into him at National Coney, to his whit and contagious laugh to his kindness and empathy. He was a stand up man and we are so blessed to have been part of his life.*

*Sending love, hugs, prayers to all from Florida. XOXO, The Hill Family (Greg, Nicole, Owen and Noah)*

*Dear Kolassa Family,  
I have a heavy heart hearing of Kenny's passing. Some of my best times at GM were with Kenny and the gang on Dock 3!! It didn't matter if we were working, bowling, playing cards or golfing, Kenny always knew how to have a good time and was fun to be around! I'm down in South Carolina for the winter, but I will keep you all in my prayers as you go through this difficult time. A big hug for all of you---Lynne Klinkhamer*

*Dear Diane and family. Ken,s passing was a shock to Geri and myself. Happy times with Ken were playing golf,bowling,softball and playing cards at lunchtime. Ken was without a doubt one of the BEST employees that worked for me at CEC. Oh, I forgot, also having a beer occasionally. He will definitely be missed.*

*Diane, Tim & Todd....I just wanted to let you know how special Kenny always was to me. I was just a kid when we started working together at the infamous Chevrolet Engineering. We had some great times both at work and after. How lucky to have been able to share wonderful times with all of you too! Just know Kenny has some great company up in heaven with all the precious ones that went ahead of him. Stay strong and know you are all forever in my thoughts and prayers.*
