“ Where to begin, I've know Sue & Ken for 25+ years, we've been on several vacations together, some of my fondest memories. Ken was always the jokester and had something nice to say. He was a great husband and father. I will miss him very much, my thoughts and prayers to Sue and Allie.

“ Susan, I am so sorry to hear about the loss of your husband (Ken). I know that he meant the world to you, and that his passing has left a huge void in your life.

*As a childhood friend (grade school & high school) of your husband's, I have so many fond memories of him that I will always cherish. He was a kind and caring person who always had a smile on his face, and his loss is felt deeply by all those who knew him.*

*My last memory of Ken was meeting you and spending time at our 40th High School Reunion. Ken will always hold a special place in my heart, and I will continue to keep his memory alive in my own way. Please know that you are in my thoughts and prayers, and that I am here for you whenever you need me.*

*With deepest sympathy,*

*Mike Cyplik*

“ *My husband Al and I met Ken, Sue and Allison 22 years ago when we moved into our home. We all moved in to our neighborhood within days of each other and they were the first people we met. We were instant friends. Ken was one of the kindest people you could ever meet.  
Our hearts are heavy and he will be so missed.*
