“ Camille , will miss our yearly garage sale (subdivision) rendezvous , Kenny & you are very dear to me, may you have much joy in knowing the great person you are as to be a great wife & holding true in *The Meaning of In Sickness & In Health*, as you know I kep't my mom home for 10 1/2 years of decline, & prayed daily for the lord to keep me on earth as long as she was here & in my care, you follow in the same footsteps, the loss is great, the times were hard, the impact is great as to the loss of " What do I do now" being we were almost robotick for so many years, take a breath, & remember , it took a very special person to do what you & I did, would we do it again? Hell Ya, that's the love & bond we share, take time & then start doing for yourself, you deserve greatness, Forever your special friend, Alan Tetkowski

“ *Camille and girls; When I heard of Kenny's passing my heart skipped a beat. I look at this picture you posted and it reminds me how much he looked like his mom. He may have suffered but it was the LOVE and CARE of his family that kept him going well beyond the years medical experts predicted. The stories I could share with you about Kenny in his younger years. The Niedbala family was my family as well, we all grew up side by side and shared many memories together, from Chene street, Chene & Trombley, St Stannies grade school to high school to graduation, family gatherings and even weddings and anniversaries. I was sorry I could not express my heartfelt sympathy in person but know that I was with you all in spirit. Keeping you all in my thoughts and prayers. R.I.P. my friend.*

*In Sympathy and friendship.

“ *There is so much I could say about Kenny. Let me begin with I loved him. He was, and will always be, a great friend. I will miss him for the rest of my life.*

He was so blessed to have Camielle, and his beautiful daughters (Even that little barking dog.) We did a lot together. Nights at Fred's, playing craps, getting drunk on Belle Isle, and just talking! He always called me baldy, and I called him "shortshtisky" He will forever be in my heart. Camielle and girls- you are all saints!

Kenny was a great man, and I am so sad about losing him. My best friend Tom Pom introduced me to Kenny in 1972. It's been great ever since.

There are not enough words to say how I feel. I'm going to miss him. I feel so sad.

Love you Kenny.

“ *When I knew Kenny he was just a 12 year old boy who was loved and admired by all his friends and family. Always had such a beautiful smile for everyone and always had a compliment for everyone.*

I had the pleasure of working for the Niedbalas' in the 1960's and loved his grandmother who always treated me very special when I worked with her.

Kenneths' family was well known in the neighborhood and everybody who knew them loved them.

I was so sorry to hear about his death. My sincerest sympathy goes out to Camille and his children and family.

“ *I am so very sad to hear of his passing. I will share a memory I have of Kenneth. There was an end of the year assembly in the auditorium of the high school at St. Stannies and the grade school was also in the assembly. Now Ken was either in 1st grade or kindergarten and he got some kind of award, and I cannot remember what it was but I do remember him marching up to the stage. He had a striped jacket, bow tie and white shorts and looked so darn cute. Everyone cheered for him, I will always remember it. Dear Camille and family, I know how much you loved him and how much he will be missed.*

“ *So sad to hear this. I have known him since Kindergarten at St. Stanislaus school. We made our first communion together and his amazing mother took us both to Zarembski's to buy our communion suits. It was the first new suit I ever had, and the kindness she showed me and my family that day was never forgotten. Every time I have seen Kenny the past 30 years he as asked me to tell that story. He loved hearing it. RIP Kenny. Blessings to you and your family <3*

“ *Camille, Crystal, Cathy, & Carol, words cannot express the loss that you are feeling. Please know that everyone Kenny touched, be it by a glance, a wink, a smile, a handshake, or a hug, will remember him as a kind and caring man. The enormous pride he felt in his family, and the way he treated his friends will surely be missed. I am a better man because of him and the second chance he gave me to be a part of his family. I will miss you my mentor, my friend, and my big brother! Joe Renkiewicz and family.*
