“ Yes, Ken had always a smile on his face, a nice word for everybody, an advise for those who needed. But, more than anything, he was a friend. The kind of guy that, no matter what, you could count on knowing that he would have never expected anything in return. Ken, your family will miss you more than anybody. But, all of us who been lucky enough to get to know you will miss your genuine and warm friendship. R.I.P. my friend.

“ Ken was such a wonderful person and I feel blessed to have had the opportunity to get to know him at work. Ken was always such an upbeat and kind person and would always put a smile on the faces of those he met - he will be missed. Our prayers go out not only to Ken, but to the entire family at this time.

“ I always remembered Ken as someone who, regardless of problems, smiled. Although it has been many years since our days at LaSalle he remained in my memory as one of the positive relationships I was fortunate to enjoy during those years. My best wishes for strength to the family and all of his close, and knowing him, many friends.

“ Ken and I started our friendship in elementary school. Ken was always well dressed in school and all the girls were drawn to him. We both attended De La Salle Collegiate and remained good friends sometimes double dating. I remember spending time at Ken's house on Packard watching his Dad go to work on the afternoon shift at Chevrolet and listening to his Mother interrogate Kenny as to where we were going and how late we would be out.

When I got married, Ken stood up in my wedding party and the reception was held at the Polish Century Club. When Ken married Pat, they also had their reception at the same Polish Century Club. I will never forget how Ken and Pat led the grand march around the floor and out the door into the parking lot. Ken's friends from the Detroit Police Department had the unit's helicopter flying overhead with the bright spot light shining down on the newly weds leading them through and about the parking lot. TRULY A GRAND MARCH!!!

May Ken rest in peace with God!

“ Dear Pat, Nikki & Joe-
I wish to extend condolences from our family to yours, it is always most difficult to lose a loved one in this life, as family & friends who are left behind we grieve that loss individually & corporately. But thank God we are secure in knowing that Ken had responded to The Good News of the Gospel Christ & had accepted God's Free Gift of Eternal Life through Faith in Christ Jesus. So dear friends- draw comfort in that promise, as we approach Resurrection Sunday, that this same Jesus who is Risen- in whose presence Ken's spirit now dwells, will one day eternally reunite all those who have accepted this Gospel of Salvation- "For God So Loved The World That He Gave His Only Son, That WHOEVER Believes In Him SHALL NOT PERISH But Have ETERNAL LIFE"- (John 3:16).

God Bless,
The Donnelly Family

“ Graduated with Kenny, De La Salle Class of 1963. Spoke to him in April 2013 trying to convince him to attend our 50th Reunion. He said that he had some health issues and wouldn't be up for it. We missed him.

Kenny and I double-dated for our Senior Prom. He drove and, after dropping off the girls, he took me home and I remember he and I sitting on my front porch watching the sun come up. He was a good friend. My deepest sympathy, Mike Schefke
