“ *Dear Pat and Girls, I don't know if you remember me - Rosemary, with daughters Julie and Diane, from Flanders. I saw Kenny's obit and it brought back so many memories. Remember working bingo at St. David's - and the girls putting on their shows for us in the garage? So many years ago. So sorry to hear about his death - you two were such a great couple. My prayers and thoughts are with you and your family as you go through this difficult time. I would love to talk to you sometime.*

“ Sandy and family, I am so sorry for your loss. I know how much family means to Sandy, and what a very special family you all have. And Sandy, I can only begin to imagine how very special a part of the family your dad Kenneth must have been. But, from this day forward he will be shining down on you all, and sending his love from heaven with every step you take along the way. I hope that you find comfort and peace knowing that you will be joined with him again one day. God bless you all - Fraha Vatra
