“ I am happy and sad at the same time. Its sad to say goodbye to a wonderful dad, that we thought that day would never come until its here. Happy that he is now in heaven with our mom. We all should be so lucky to live 88 years. Even though the past 6 months have been a challenge for us to see a self sufficient man fail and become incapable of caring for himself. All of us kids were by his side daily, when due to covid would allow it. Some days we worried, laughed, cried, listened, fed and watched him sleep. He was OURS to take care of and protect. Holding his hand til he took his last breath Gona miss you dad ❤️🙏
