“ *The first memory I have of Kenny was as a young teen, Aunt Florence asked Kenny to drive Dennis and I to the amusement park. Mid-summer Detroit? Too hot! So can you drill this around and we finally went to a movie. Kenny was very gracious and sweet, when he would rather be home studying. He was in college and we were just pipsqueaks!
I, like Judy, wish I was closer. Would love to stay in touch with all the cousins. Sending much love and prayers for all the family.
